Volunteering

01/2016–06/2016	Home Visitor Volunteer at Middlesex Association for the Blind

Hobbies & Interests

I enjoy the occasional travel adventure, discovering new places and soaking in different cultures. Table tennis is my way of unwinding – a friendly match can be a great way to spend an afternoon. Puzzles are another interest of mine; there's something satisfying about solving a tricky brain teaser or getting lost in a jigsaw puzzle for a while.
